You are receiving this statement because you have an escrow account with us. We have safeguards in place to ensure there is enough money in your account to cover your homeowner's insurance, real estate taxes and mortgage insurance, if applicable. Based on our most recent escrow analysis, your account is balanced. Your escrow payments will remain the same until the next analysis.

Projected Minimum Balance	\$1,651.10
- Required Minimum Balance	\$1,651.10

The required minimum balance is also known as the escrow cushion. The required minimum balance or escrow cushion is the amount that you are required to pay into your escrow account to cover unanticipated disbursements for escrow items or for disbursements that have to be made before the monthly escrow payments are available in your escrow account.

Part 1 provides your current and the new escrow payment amounts. Part 2 shows what has already happened in your account while Part 3 shows what we anticipate happening in your account over the next 12 months. As tax and insurance amounts may be subject to change each year, the amounts in Part 3 are only estimates.
